Membership

Exciting news, we are expanding our membership classes. From the AGM there will be two levels of memberships available. Application forms are now available on the website under the membership tab or you can contact info@roadiesretreat.org.au for more information.

WHATS HAPPENING

Roadies Retreat conducted our first member survey to gain some more information before our first closed raffle. Bunnings Brendale kindly donated a \$20 gift card for one lucky member to win at random upon completion of the survey congratulations to Aaron for winning the gift card and thank you to all of our members for participating.

We are having our first closed raffle on the 20th of June This raffle will be open to members, their families and friends – keep an eye on our social media and your email for more confirmed details. Rafflebuzz has a unique approach to raffles, by raffling off individual items in quick succession. Missed out on something? No problem, something even better is less than a minute away! Buy your tickets, bid on a prize, and in real-time see who you are playing against and your chances of winning.

For more information you can visit www.rafflebuzz.com
We can't wait to have our first open to the public raffle more details to come soon.

Current raffle

A screenshot of the Raffle Buzz website interface. The main focus is a large circular timer showing '00:00:22' with a '0' in the center, indicating the current bid amount. Below the timer, it says 'GOAL: 1389 tickets' and 'Enter raffle'. To the left, there is a product image of an 'APPLE | 10.9-inch iPad Air (Wi-Fi, 256GB Storage)' with a price tag of '\$1389'. Below the main interface, there are social media sharing icons for Facebook, WhatsApp, and Print, along with a 'How it works' link. At the bottom, there is a section titled 'Upcoming prizes' with several small images of various items like a bag, a camera, and a drone.

A fundraising event with Tastepoint is being finalised with the event being late July / August.

Members and friends will get to try an assortment of meats and then give their opinion on its quality and grade and this will earn funds for Roadies Retreat. If this sounds like something that you might want to help with please contact info@roadiesretreat.org.au to express your interest.

Unfortunately our last sausage sizzle was rained out and had to be shutdown due to severe weather. Thanks for those who did come out. We managed to raise a small amount given the weather conditions. Keep an eye on our social media for our next Bunnings sausage sizzle fundraiser.

A big thank you to all donations received to date and a special thank you to Bunnings Brendale and Rafflebuzz for providing and sourcing our raffle items for the upcoming closed raffle.

Presidents Report

Quote for the month

“To be informed you must be involved”

It's June and that means it's officially winter and the end of another summer. Our industry is still on the road to recovery and there is still a hard path toward it returning to its former state for a little while.

Roadies Retreat is needed now more than ever, with a lot of senior production crew suggesting they may not return to work depending on a few factors.

We have organised a closed raffle through Rafflebuzz (for our members) on June 20th, thanks to Ben and the fundraising team, and the crew from Rafflebuzz. Our following raffle after this closed round will be open to all and it is a lot of fun, you get to support RR, whilst hopefully winning a raffle round.

Please remember that we want to encourage people to sign up as members. There is a small annual cost of \$20 per year for industry folk, which includes voting rights and a membership pack, spread the word, remember RR charity is for all crew!!!

You will also be able to bring new members to the AGM in July 2021.

In the meantime, we are looking at other means of fundraising so that we can get to acquire a nice parcel of land. We are still searching for the right block. Prices have climbed dramatically since Covid and all of the regional areas have escalated. We have heard from a few of the Regional Councils however and a recommendation from the Project team for MBRC planners.

Thank you to all of our committee members for making 2020-21 the success it has been by adapting our meetings to comply with COVID 19 restrictions and for attending when you could. To the office bearers I thank you both personally, and on behalf of all Roadies Retreat Inc for your volunteered time and effort throughout the year.

President
